

Station 1

	Trial 1	Trial 2	Trial 3
no seatbelt	Penny falls	Penny falls	Penny falls
seatbelt	Penny stays on	Penny stays	Penny stays on

- When the marker acted against the truck, as an unbalanced force it caused the truck stop and the penny to fall.

Station 2

- Best Score for catch a falling Penny IS = 1 Penny 😊
- Penny falls in the cup each of the 3 trials
- The penny was at rest until sandary's hand acted upon it causing it to fall.
- Force was acted upon card, not penny: it didn't move

Station 3

Carpet	In- 80 / 50 - sr	In-	} sandpaper
	In- 70 / 50 - sr	In-	
	In- 60 / 100 - sr	In-	

Inertia - Another name for Newton's 1st Law of Motion
